Unsplash Licence Information

Unsplash grants you an irrevocable, nonexclusive, worldwide copyright license to download, copy, modify, distribute, perform, and use photos from Unsplash for free, including for commercial purposes, without permission from or attributing the photographer or Unsplash. This license does not include the right to compile photos from Unsplash to replicate a similar or competing service.

Unsplash + Licence Information

Unsplash grants you an unlimited, perpetual, nonexclusive, worldwide license to download, copy, modify, distribute, perform, and use Unsplash+ photos downloaded from your Unsplash+ subscription, including for commercial purposes, without requiring attribution (photo credit). If you use the Unsplash+ photos properly, Unsplash promises that your use will not infringe on anyone else's copyright or other intellectual property rights, or any rights of publicity or privacy, and if you receive a claim, Unsplash will cover you up to US \$10,000, per file. This license does not include the right to compile any photos (including Unsplash+ photos) from Unsplash to replicate a similar or competing service, and certain restrictions apply (for example, you cannot re-sell Unsplash+ photos "as-is", or use Unsplash+ photos in connection with sensitive topics, or in digital templates, machine learning, AI, or for biometric tracking technology). Please review the Unsplash+ Subscription Terms for the full set of Unsplash+ terms and

CC BY 2.0 Deed
Attribution 2.0 Generic
Notice

This is an older version of this license. Compared to previous versions, the 4.0 versions of all CC licenses are more user-friendly and more internationally robust. If you are licensing your own work, we strongly recommend the use of the 4.0 license instead: CC BY 4.0 Deed | Attribution 4.0 International

Canonical URL <https://creativecommons.org/licenses/by/2.0/>

See the legal code

You are free to:

Share — copy and redistribute the material in any medium or format for any purpose, even commercially.

Adapt — remix, transform, and build upon the material for any purpose, even commercially.

The licensor cannot revoke these freedoms as long as you follow the license terms.

Under the following terms:

Attribution - You must give appropriate credit, provide a link to the license, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.

No additional restrictions - You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.
