### Adobe Stock Enhanced licenses

Enhanced licenses are available for Adobe Stock videos, templates, 3D assets, and Premium Collection.

With an Enhanced license, you may:

- Use the asset with all the rights granted in the Standard license.
- Reproduce the asset beyond the 500,000 copy/viewer restriction.

With an Enhanced license, you may not:

- Distribute the stand-alone file.
- Create merchandise, templates, or other products for resale or distribution where the primary value of the product is associated with the asset itself. For example, you can't use the asset to create a poster, t-shirt, or coffee mug that someone would buy specifically because of the asset printed on it.

### \*Unsplash Licence Information
